
ic-02: HTML & CSS

This is an individually submitted assignment, but you may work with others to complete it

Purpose:

The purpose of this assignment is to practice HTML and CSS, which we will use throughout the semester to create custom visualizations.

Tasks:

This assignment will be completed using GitHub Classroom. Please accept the assignment with this link (https://classroom.github.com/a/P6lz_ZbP) and follow the instructions in the generated repo.

Submission:

See Gradescope ic-02 for submission instructions.
